

## **ATI EVENTS**

### **DECEMBER 1, 1997**

**HAPPY BIRTHDAY TO ALL WHO ARE CELEBRATING BIRTHDAYS DURING THE MONTH OF DECEMBER:**

<b>Jill Dawson</b>	<b>12/2</b>
<b>Mike Borger</b>	<b>12/3</b>
<b>Ken Cochran</b>	<b>12/11</b>
<b>Greg Gordon</b>	<b>12/26</b>
<b>George Kreps</b>	<b>12/30</b>
<b>Steve Neal</b>	<b>12/30</b>
<b>Mike Pattison</b>	<b>12/30</b>

#### **NEWS FROM THE DIRECTOR:**

Margaret Hile has announced her retirement effective December 31, 1997. Margaret has worked admirably with three directors during her 20+ years at ATI. I will miss her and plan to make a comment or two to that effect at a farewell reception, scheduled for December 31 at 10:00 a.m. in Skou 030. Please put this on your calendar and come if you can. If you cannot attend, stop by and wish her well.

ATI's Key Advisory Committee (KAC) met on Monday, December 1. Members were asked advice regarding a number of topics. Their thoughts concerning new program opportunities were revealing and considerably different than the last time the topic was discussed at a KAC meeting. At the November, 1994 KAC meeting, several new program possibilities were suggested, including international agriculture, interior plantscaping, chemical technology, plastics technology, aquaculture and information management. At Monday's meeting, Committee members suggested putting program development dollars into faculty development instead, so that faculty will be better equipped to offer ATI's already strong programs or program components to distant sites. They warned against spreading resources too thin; rather, they encouraged focusing efforts on programs ATI already has in place and using the Institute's current and soon-to-be-enhanced capabilities to disseminate these programs nationally and internationally. What do you think? I'd like to hear your thoughts.

#### **NEWS FROM ACADEMIC AFFAIRS:**

Collaboration with other colleges continues as ATI students are jointly enrolled at the Mansfield Campus during Autumn Quarter and will be jointly enrolling with Wayne College during Winter and Spring Quarters.

On November 26 Arnie Mokma, Jill Byers and Ron Borton, along with Alumni Tom Roig, Dan Schultz, and Janet McCormick and students Duane Johnson, Jamie Hann and Joe Schaaf, made a presentation about ATI to all Triway High School students as part of their career education program.

#### NEWS FROM TECH PREP:

Guidance counselors from the feeder schools to the Ashland-West Holmes Career Center will be at Ohio State ATI on December 2. The purpose of the meeting is to acquaint them with the new Environmental Tech Prep program to be offered at the Career Center next year. Tom Zimmerman and Sha Rahnema will inform these counselors about the college portion of the program.

On December 3, eighth graders from Northwestern Local School District will visit ATI and will be made aware of the Tech Prep option available to them in the future.

#### NEWS FROM AGRICULTURAL TECHNOLOGIES:

The *Building Construction I* and *Metals and Metal Manufacturing* classes toured Quality Brick and Block, Dutch Valley Stone, and Belden Brick on November 4. Belden Brick hosted a lunch for the students at Dutch Valley Restaurant.

Jim Carr gave a presentation to the Great Lakes Region of the Associated Schools of Construction in East Lansing on November 7.

Jim Carr attended the Fall Board Meeting of the Ohio Home Builders Association Thursday, November 20, in Columbus. He received a check from the Past President's Scholarship Fund of the National Association of Home Builders for \$1500 to add to the OHBA Scholarship fund.

The Horse Production Faculty and Staff would like to give a special thanks to Jim Carr and the Construction class for helping repair/renovate the horse sheds.

#### NEWS FROM UNIVERSITY POLICE

Quite a few things have been going on since September, especially keeping up with peace officer training. Sergeant Nester and Officer Cox attended a workshop on domestic violence; Chief Ferrell and Nester attended the Ohio Attorney General's Conference on Law Enforcement in Columbus; Ferrell, Nester, Cox, Tom Wilfong, and Randy Gard, were trained and certified with the Asp, a non-lethal alternate weapon; all officers attended firearms qualifications at the Smithville Police Range. The Asp and firearms training was conducted by OSU Columbus officers and assisted by Wilfong.

Other activities included Ferrell doing a co-presentation at the Dalton High School Career Day with Dalton Police Chief Randy Cox. Ferrell, Nester, and Health Services Nurse Karen Myers, conducted First Aid/CPR training for OARDC employees and grad students in November. Another course will be conducted in February and will be offered to ATI employees also. Ferrell, Nancy Brooker, and Steve Smith conducted Sexual Assault and Sexual Harassment Awareness training for all freshman during the first part of the quarter. The program was offered at different times and locations, but less than 75 students total attended. Ferrell and Judy Cox attended the Sexual Assault Task Force

meeting at Every Woman's House and plan to become active in this worthwhile program. Wilfong conducted an alcohol awareness program for the Residence Hall and Village in October. Jim Deeks, from Doylestown, has become a new auxiliary officer for our department. Jim helps out with some late night coverage when the full time officers are on vacation, sick leave, or other scheduling conflicts. Jim is a full time police officer at Smithville and a Marine Reserve. Semper Fi!

Employees can help us cut down on the abuse of students parking in visitor parking spaces on campus. If you see a student using a visitor space, give us a call. If we're not in the office, leave a description of the car and which lot it's in, and we'll be glad to follow up with a ticket.

We have moved into our new police station located on Station Drive at OARDC. I hope you can stop by during the Open House on December 4th, any time between 4:30pm-6:00pm. Refreshments will be available next door at the Meeting House. We will continue our ATI office as a satellite location.

Following is a breakdown of typical calls or services provided by the police this past October (sorry, November's have not been calculated yet):

Criminal Complaints	8	Money Escorts	23
Non-Criminal Complaints	30	Vehicle Lockouts	11
Assist Local Agency	5	Building Lockouts	7
Traffic Related	5	Assist Citizen	16
Traffic Stops	7	Assist Motorist	14
T&P Enforcement	32	Public Relations	8
Field Interviews*	12	Special Detail Hours	36.5
Area Checks	140	Miles Patrolled	2371

\*Field Interviews usually involve identifying a person and issuing a warning for trespassing.

#### NEWS FROM ARTS AND SCIENCE AND BUSINESS:

*National Geographic* magazine has invited George Kreps to contribute an article on Amish Country (Holmes County) for their guidebook on places to visit.

The *Community Development Journal* has published George Kreps' article, "The Impact of Tourism on the Amish Subculture: A Case Study," in their October 1997 edition. George was the senior author of the article along with Joseph Donnermeyer, Charles Hurst, Bob Blair and Marty Kreps.

George Kreps and Don Botto have just completed another series of training sessions on TQM for Wooster City Schools. George also continues to provide CQI consulting for the seven academic departments of the College of Food, Agricultural and Environmental Sciences.

Emil Miller recently completed a study measuring the number of classes taught by part-time adjunct faculty of the Arts and Science and Business Technologies Division in both the A.S. and A.A.S. programs vs. the regular full-time faculty of the Division. The results of Emil's study are as follows:

**ARTS, SCIENCE, AND BUSINESS TECHNOLOGIES COURSES**

COURSE	ASSOC OF SCI		ASSOC OF APPLIED SCI		TOTAL		NUMBER OF SECTIONS	NUMBER OF STUDENTS	NUMBER OF STU-HRS
	% REG	% AUX	% REG	% AUX	% REG	% AUX			
MATH	25.1	74.9	16.8	83.2	18.5	81.5	18	375	1863

<b>TOTAL</b>	<b>64.8</b>	<b>35.2</b>	<b>38.2</b>	<b>61.8</b>	<b>43.0</b>	<b>57.0</b>	<b>106</b>	<b>2327</b>	<b>7810</b>

**NEWS FROM ADMISSIONS:**

**VisitATion Day, December Style:** The next VisitATion Day is Thursday, December 11. For those of you with your 1998 calendars already up and running, mark these dates too:

- . Thursday, March 19, 1998
- . Saturday, April 18, 1998

**Another New Direct Mail Postcard:** Postcards were mailed to prospects from 29 Appalachian counties and to minority students who are eligible for the Freshman Foundation Program. This program offers aid to eligible students who apply by December 15.

**Regional Campus Brochure:** Attached to this *ATI Events* is a photocopy of the cover of a new publication we helped develop for use by the Columbus Campus Admissions Office for students interested in the regional campuses. This is the first time Ohio State ATI has been included in this piece, and you'll notice that we stand out in the visuals as well as the ext.

**International Recruitment Effort:** The Ohio State ATI Admissions Office has teamed up with the International Programs Office of the College of FAES to target market programs to students throughout the United Kingdom. Recruitment materials and applications will be displayed at every major agriculture and horticulture show in English, Northern Ireland, Scotland, and Wales in the coming months in an effort to promote us on the international level.

**Daily Record Insert:** Once again, the offices of Admissions, Continuing Ed., and Public Relations have collaborated in the production and distribution of the winter quarter schedule insert for the December 1st local newspaper.

**On-Screen Advertising:** Watch the screen at Cinema 10 during the holiday season for the Ohio State ATI ad which flashes before your eyes prior to the movie.

**NUMBERS: Autumn 1998 as of November 23, 1997 (compared to last year during this week):**

<i>APPLICATIONS</i>		<i>ADMITS</i>		<i>ACCEPT. FEE PAID</i>	
'97	'98	'97	'98	'97	'98
81	93(up 12)	44	66(up 22)	0	1(up 1)
(up 14.8%)		(up 50.0%)		(up!)	

**NEWS FROM UPWARD BOUND:**

The Ohio State ATI Upward Bound Program is now fully enrolled with 60 students from Orrville, Timken and McKinley High Schools. Enrichment and tutoring sessions are well underway at each high school as well as monthly parent/staff meetings. On October 11th, orientation workshops were held at ATI, and on November 22nd the group visited the University of Akron and the Akron Art Museum. The next group meeting is January 10 at ATI.

Paul Bucci and Robin Lee of the Academy of Educational Development in Washington, D.C., visited Upward Bound at ATI and our program at Timken High School in Canton on September 17-18 as part of an evaluation process.

Cover of new brochure used by  
the Columbus Admissions Office  
for students interested  
in the regional campuses.

This is the first time  
Ohio State ATI has been included.

*The Great Traditions of Ohio State.*

*The Challenge of a Big Ten university.*

*The Excitement of being a Buckeye.*

*All with the benefits of a  
small, accessible campus.*

*Ohio State's*  
**Regional Campuses  
and ATI**
